General Information

TIME: Saturday, September 16, 1961. Show at 8:30 A.M., Sale at 11:30 A.M., Sharp.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. Paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or are calfhood vaccinated following a clean test unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 mos. of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.

4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland sale last fall. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished, for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager or special representatives.
9. Auctioneers: J.E. Halsey, Des Moines, and Roy Wagener, Bellevue.
10. Special Representatives: Arch Stone of Wallaces Farmer, Rex Conn, Cedar Rapids Gazette, Harvey Neitderhisar, Ringman with the amplifier, North Liberty, Bill Stunkel of the Shorthorn World.
11. Clerk: Keith Noll, Asst. Cashier, People Savings Bank, Cedar Rapids.

12. Sale Manager: Earl S. Girton, Box 321, Marshalltown, Iowa. Phones: Office 5537 - Residence 3693.
Assistant Sale Manager: Merne Anderson, Victor, Iowa. He will handle the health charts and the club steer calves.

EDELLYN BEAUTY 34TH - This cow was purchased in a Illinois State Sale in 1954 and was the top selling female that way. She has proved that she has been one of the best that has ever been in the herd. Several of her daughters and granddaughters remain here. One was a Reserve Champion at a recent International, others have been shown and won at many shows. A granddaughter we think will be our best female again this year. She has at foot a June 29th roan bull calf by Aristocrat and she should be rebred by sale time.

BROWDALE HERO

Browdale Hero is by the Iowa State Fair Reserve Grand Champion bull, Browdale Crusader. The above is an informal picture taken of Hero when tied in the stall at Iowa Bull Testing Station, Ames, Iowa. Note his record in the footnote below. Remember that the late A. J. Marshall once stated that "your herd bull should have a white ancestor not more than three generations away in order to retain easy feeding and mellowness qualities in your cattle". Here is an excellent opportunity to introduce that quality into your herd.
